January 22, 2004

Dear Mr. Christiansen:

I have requested from your office in Libby, Montana, all information and test results obtained on the Eagles' building located at 119 Mineral Avenue in Libby. Please provide us with the credentials of the three men who conducted the evaluation at the aforementioned location on January 21, 2004; the name of the company for whom they work; a copy of the errors and omissions policy for this company; and provide certificates of insurance, workers' compensation liability, and errors and omissions, naming The Hollingsworth Group as certificate holder, additional insured on these insurances held by the company employing the three evaluators.

Thank you for your attention to this request. We look forward to our meeting on February 21, 2004.

Best regards,

Raymond Hollingsworth  
Nauligaun Engineering
